

# Coaching that allows teams to thrive

## Tailored support for teams and management

- Communication · Self-reflection
- Change of perspective · Transformation
- Flexibility · Resilience · Stability
- Vision · Guiding principles · Mission

## Our solutions

- Coaching in group sessions and workshops
- For teams of 3+ (all areas and levels)

 For example: two half-day sessions from CHF 3880.–\*  
(incl. preliminary and follow-up input, resources and performance)

## The benefits for you

- Integral and participative approach
- Personal support
- Individual definition of targets and solutions
- The highest degree of discretion and professionalism

\* We would be pleased to provide you with an individual proposal tailored to your specific needs.
